# WMF SmartRemote

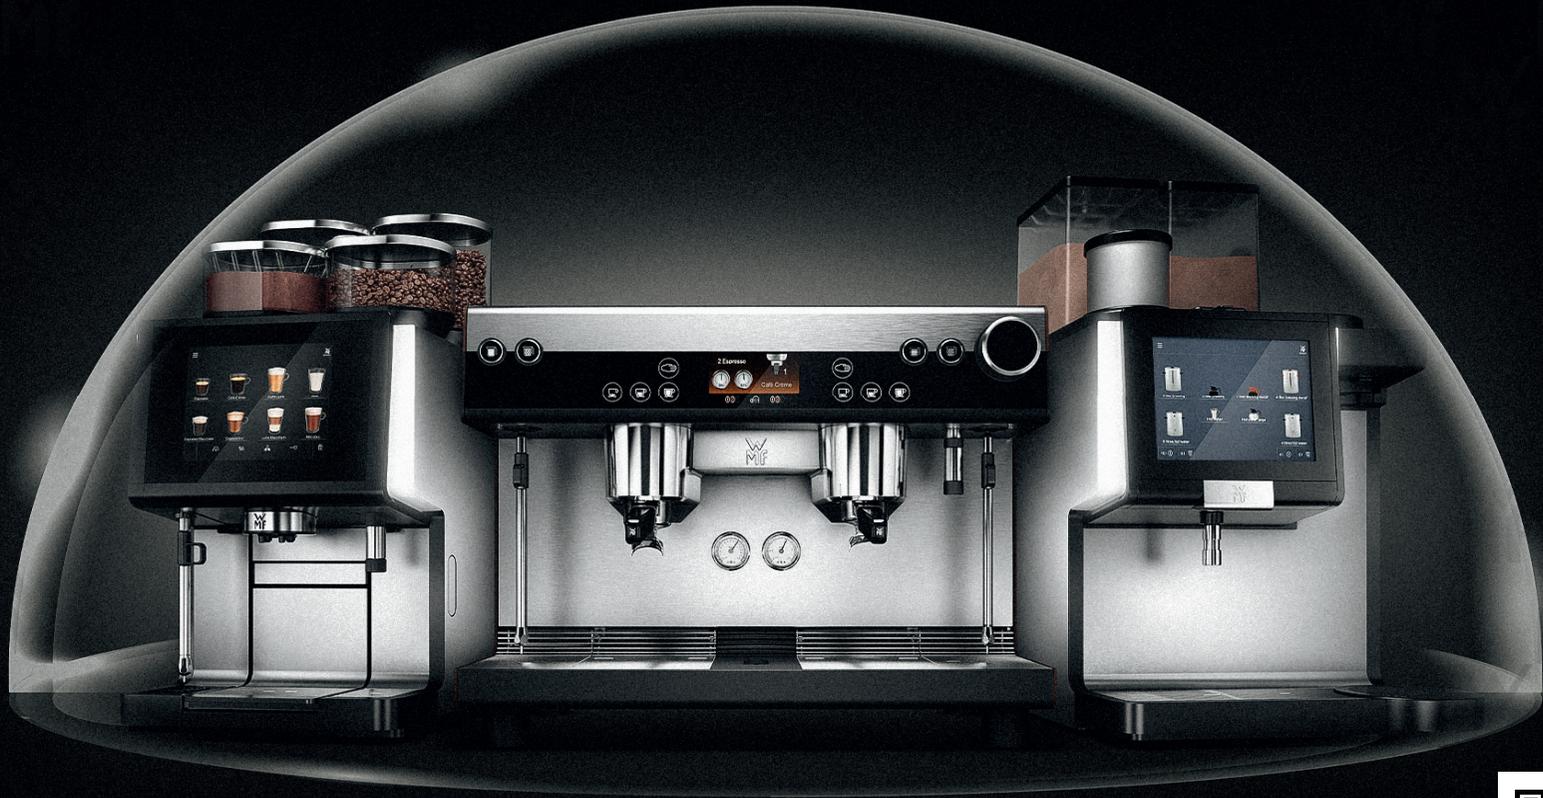

EASY AND INTUITIVE OPERATION,  
THANKS TO CONTACTLESS ORDERING PROCESS.

Of course there are ways to operate your connected WMF Professional Coffee Machine contactless. With the WMF SmartRemote solution, users simply scan the QR code with their mobile device from the coffee machine's display and easily place their beverage order. Self-service at its finest.

# Covid-19-Infocenter

Here you will find an overview of all measures relating to the coronavirus epidemic in order to run your coffee business safely and hygienically for you and your customers.

**Please keep your distance.**

WE ARE STILL THERE FOR YOU.  
WITH DISTANCE.
